

The Public Works and Development Committee meeting was called to order at 6:00 p.m. by Chairman Jim Bandsma.

Members Present: Bandsma, Fenske and Miller.  
Members Absent: None.

No minutes were approved.

Public Appearance: None.

Speed Deterrents:

- Fenske reported on her door-to-door visits with residents on Washington, Chandler Streets and Birchcrest Road. A common comment was the need for more police patrol in the affected areas.

Discussion on Mill and Overlay projects for 2023:

- Streets that have been recommended are Mill, Kilbourn, Huron, Clark, Gray and Jersey Streets.

Motion by Miller, second by Fenske, to approve Mill and Overlay for Mill, Kilbourn, Huron, Clark, Gray and Jersey Streets.

All voting Aye. Motion carried.

WWTP Facility Plan:

- Joe DeYoung from MSA spoke about the initial planning for the replacement/updating the Wastewater Treatment plant.

GIS Mapping:

- Joe DeYoung from MSA reviewed the benefits of updating and adding information to our existing mapping.

Discussion on DPW summer hours.

Discussion on snow removal.

DPW Update:

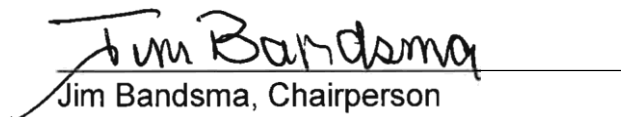

- Crews are busy with snow and ice removal.
- Tree trimming and removal is ongoing.

Water/Wastewater Update:

- Noah Oestreich has been promoted to Operator in Charge, which created an opening in Water/Wastewater Department and applications are currently being accepted.

Set next meeting date for Thursday, March 2, 2023, at 6:00 p.m. at DPW Conference Room.

Motion by Miller, second by Fenske, to adjourn.  
All voting Aye. Meeting adjourned at 8:10 p.m.

  
Jim Bandsma, Chairperson
